# What Are Care Groups?

Care Groups are smaller groups of people meeting throughout the Lancaster County area in homes, similar to the pattern of the early church, where believers met both publicly and from house to house (Acts 20:20). From Acts 2:46 and Hebrews 10:24, Care Groups reflect the pattern of the first Christians who spent plenty of time meeting in homes to encourage one another to pursue love and good deeds.

We see our groups as holistic, in that they go beyond merely discussing Bible passages, but will also bring up issues and questions that are immediate personal concerns. They serve as groups where believers can be encouraged and held accountable to allow Jesus to rule over every aspect of their lives. And all this is done in an atmosphere that is warm, compassionate, authentic and most of all filled with love.

## How Do I Get Involved in a Care Group?

The Care Group Directory (back of brochure) lists telephone numbers of all the leaders so you can call the group that interests you. Then make a visit!

If you would like more information about any of these groups, please call Joel Kime at the Church Office (number on panel to right). Joel will be glad to help you get connected with a Care Group that is right for you. Or perhaps we could start a new one to fit your needs!

## What Can I Expect?

Although each group has its own unique flavor, in the groups you will find caring, personal ministry, the presence of Jesus, discussion of the Word of God, prayer, worship, food, the setting to build relationships, outreach, opportunities—or in other words, Real New Testament Christianity! Contact us using the information below, and we'll help you get connected to a Care Group!
